Certificate of constancy of performance 0843-CPR-0227

In compliance with the Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

FPMF BOARD

Penetration Seal Classified for use in flexible & solid walls and solid floors

A board used to seal around cables and metallic pipes to form a penetration seal to reinstate the fire resistance performance of wall and floor constructions, where they have been provided with apertures for the penetration of services. FPMF BOARD is supplied coated on one face, referenced 1-S, or on both faces, referenced 2-S. The board or boards are then cut to allow the penetration of the required services, before being inserted into the aperture in the wall or floor.

placed on the market under the name or trade mark of

and produced in the manufacturing plant(s)

A/003

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the ETAs:

ETA 14/0443

and

ETAG 026-2 (used as an EAD)

under system AVCP 1 for the performance set out in the ETA are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 5th August 2015 and will remain valid as long as the ETA remains valid and the manufacturing conditions in the plant or the factory production control itself are not modified significantly, unless suspended or withdrawn by the product certification body.
